

Corryong Health (HCP) Home Care Package Fee Schedule

The Basic Daily Fee is what consumers are asked contribute towards their care per day this is not a set fee and can be discussed between the provider and the consumer.

Basic Daily Fee

Level 1 or 2 Package

Basic Daily Fee total required **\$ 3.00 per day**

Level 3 or 4 Package

Basic Daily Fee total required **\$6.00 per day**

Income-tested fee

The Department of Human Services establishes the maximum fees payable based on an assessment of your financial information and notifies you and your Home Care Package provider if this additional fee is to be charged.

Depending on your income, you may be asked to contribute more to the cost of your care. This is in addition to the basic daily fee.

Corryong Health Provider Fee's

Another cost to your Home Care Package is the fee that is charged by the approved provider that manages your package on your behalf. They are expressed as a percentage amount taken per day from the total subsidy amount of your package (including the Daily Contribution Fee and the Income Tested Fee).

15% Administration fee per day – pays for the operating costs, staff and administration

15% Case management fee per day – pays for the setup of your package, care plans, home visits and co-ordination of your care and services

Exit Fee

A provider is allowed to charge an Exit Fee to help cover their administration costs in the event that you leave the provider due to switching or you do not require the package anymore

Corryong Health exit fee charge is \$500.00
